### Best Practice– II

**1. Title of Practice: Environment Consciousness**

**2. Goal:**

- To create environmental awareness in general and awareness related to problems resulting from industrial pollution and increased human activity and their remedies
- To provide eco – friendly environment
- To reduce pollution load resulting from increase in the level of carbon dioxide in the air
- To conserve energy
- To conserve water.

**3. The Context:**

The flora and fauna is affected by the unwanted deviation in the environmental conditions. Keeping in mind its location, the college is very conscious about the eco – friendly environment in the campus. To achieve this the college administration lays emphasis on sensitizing students by involving them in various activities like:

- Tree plantation drive.
- Conservation of water by not wasting it during drinking and in laboratories.
- Keeping lights and fans off when not in use
- Use of low consumption electric equipments
- Management of waste properly.

The main aim of these activities is to create a holistic environment for overall development of the students.

**The practice:**

To practice the above said initiatives, the following activities are performed throughout the session.

- The Environment club of the college organizes Van Mahotsav
- Organizing debates, declamation, slogan writing and poster making on environmental issues
- Cleanliness drive in the college undertaken by the N.S.S. volunteers
- Students are advised not to waste papers
- After plantation, the plants are properly looked after
- Plantation is done on the occasion of different functions.
- Extension lectures are organized on prevention of various environmental issues
- The students are also motivated and enlightened for conservation of water in college and in their

- This practice is going on from past 30 years.
